**Dear Prof. Mauro Mazzei,**

Warm Salutations from GECASET-23.

On behalf of Mscholar Conferences, I have the distinct pleasure to cordially invite you as a Keynote Speaker to attend the **"3<sup>rd</sup> Global Experts Meet on Applied Science, Engineering and Technology" (GECASET-23) scheduled from 24<sup>th</sup> – 26<sup>th</sup> of July 2023 at Osaka, Japan.**

**GECASET-23** is dedicated to creating a stage for exchanging the current research results and sharing advanced research methods to communicate the advancements and achievements in the field of AppliedScience and its trending Technologies. Over the course of 3 days, internationally-eminent speakers will describe how their research journey has developed according to contemporary challenges, inspirational lessons in chemical initiatives and creativity. The attending experts and industry associates will also provide tremendous networking expertise with the colossal and exuberant presence of young and brilliant researchers and exchange break-through ideas related to Applied Science & Engineering Technology.

**Should you require more information about the conference, please have a glance**

**at:** <https://www.mscholarconferences.com/GECAET23/38/home.html>

As we have limited slots available, Kindly apprise of your possibility and acceptance with abstract submission along with a short bio and latest photograph, so that we will include your profile in the scientific program and on the conference portal. Submit it from <https://www.mscholarconferences.com/38/submitabstract.html>

For more queries, I look forward to hearing from you at the earliest.

Best Regards,

**Prof. Giuseppe Failla,**

The University of Reggio Calabria-Italy,

Program Director | GECASET-23
